Dear [Mr./Ms./Mx. Last Name],

Regarding the **[Job Title]** position (Requisition ID: [Number]) at [Company Name], please accept my application. With a proven track record in [Sales/Healthcare/Science] and a deep commitment to improving patient outcomes through medical innovation, I am eager to contribute to your [Territory Name] team.

In my previous role at [Previous Company], I consistently [mention a key achievement, e.g., exceeded sales quotas by X% or grew market share within a competitive therapeutic class]. I possess strong clinical literacy and the ability to translate complex pharmacological data into compelling value propositions for Healthcare Professionals (HCPs). My approach combines data-driven territory management with the relationship-building skills necessary to navigate complex hospital systems and private practices.

I am particularly drawn to [Company Name] because of your recent advancements in [Specific Therapeutic Area, e.g., Oncology/Cardiology] and your reputation for ethical, patient-centric sales strategies. I am confident that my experience in [Key Skill 1] and [Key Skill 2] aligns with the goals of your current commercial team.

I look forward to the opportunity to discuss how my background in pharmaceutical sales can help [Company Name] achieve its objectives in the [Region] market. Thank you for your time and consideration.

Sincerely,
