Dear Dr. [Last Name],

I am writing to express my strong interest in the [Program Name] at [Institution]. As a graduate of [Medical School] with a dedicated focus on [Specific Research Interest/Subspecialty], I aim to integrate advanced clinical training with rigorous academic inquiry.

During my medical education, I contributed to research involving [Brief Description of Key Research Project] under the mentorship of [Principal Investigator Name]. This experience resulted in [Specific Outcome: Publication, Presentation, or Grant]. My technical proficiency in [Specific Methodology or Lab Skill] and data analysis has prepared me to contribute immediately to the ongoing projects within your department, specifically [Mention Specific Lab or Faculty Member at the Institution].

The research-track residency at [Institution] is particularly appealing to me because of its [Mention a Specific Aspect of the Program: e.g., Protected Research Time, Specific Core Facility, or Interdisciplinary Collaboration]. I am confident that my background in [Previous Field of Study] and my commitment to evidence-based medicine align with the mission of your institution to advance the field of [Medical Field].

Thank you for your time and for considering my application. I look forward to the possibility of discussing how my research background and clinical aspirations can contribute to your program.

Sincerely,

[Your Name]
