[Recipient Job Title]

[Company Name]

Dear [Recipient Name],

I am writing to express my interest in [Company Name]'s innovative work in [Specific Medical Field, e.g., Neuromodulation or Orthopedics]. As a Medical Device Developer with experience in [Specific Technical Area, e.g., ISO 13485 compliance or Class II/III product lifecycles], I have long followed your team's progress regarding [Specific Project or Recent Product Launch].

Throughout my career, I have focused on bridging the gap between clinical needs and technical execution. At [Current or Previous Company], I contributed to the development of [Type of Device], specifically handling [Key Responsibility, e.g., rapid prototyping, risk management, or V&V testing]. My background in [Specific Skill, e.g., SolidWorks, embedded systems, or biocompatibility standards] aligns closely with the technical excellence [Company Name] is known for.

I am currently exploring new opportunities where I can apply my expertise in [Key Technical Strength] to help advance patient outcomes. I would appreciate the opportunity to connect briefly to learn more about your team's current engineering challenges and share how my experience in [Niche Area] might be of value to your future projects.

Thank you for your time and for the work you do in advancing medical technology. I look forward to the possibility of connecting.

Best regards,

[Your Name]
