Dear *[Recipient Name or Hiring Manager]*,

As a professional deeply committed to the global transition toward sustainable power, I have long followed *[Company Name]*'s initiatives in *[Specific Sector, e.g., Offshore Wind/Grid Modernization]*. I am reaching out to introduce myself and express my strong interest in contributing to your consultancy team as a Renewable Energy Consultant.

With a background in *[Degree/Specialization]* and *[Number]* years of experience in the energy sector, I specialize in *[Key Skill 1, e.g., Feasibility Studies]*, *[Key Skill 2, e.g., Regulatory Compliance]*, and *[Key Skill 3, e.g., Technical Due Diligence]*. In my previous role at *[Previous Company/Project]*, I successfully led a project that resulted in *[Specific Achievement, e.g., a 15% increase in energy efficiency or successful commissioning of a 50MW solar farm]*.

I am particularly drawn to *[Company Name]* because of your recent work on *[Specific Project or News Item]*. I am confident that my technical expertise in *[Specific Tool/Software/Energy Type]* and my ability to translate complex data into actionable strategy would be a significant asset to your clients.

I have attached my resume for your review and would welcome the opportunity to discuss how my expertise aligns with *[Company Name]*'s upcoming project goals. Thank you for your time and consideration.

Best regards,

[Your Name]
