Dear [Hiring Manager Name or "Design Team"],

As a UX Designer with a focus on [Specialization, e.g., Accessibility/Design Systems/User Research], I have long followed [Company Name]'s approach to [Specific Project or Company Value]. I am writing to express my interest in the [Job Title] position, as I am confident my data-driven approach to empathy-led design would be a strong asset to your team.

In my previous role at [Previous Company], I led the redesign of [Project Name], which resulted in a [Metric, e.g., 20% increase in conversion]. My process integrates rigorous user testing with iterative prototyping to ensure that business goals align seamlessly with user needs. I am particularly skilled at bridging the gap between stakeholder requirements and developer feasibility.

What draws me to [Company Name] is your commitment to [Specific aspect of their product/culture]. I am eager to apply my expertise in [Specific Tool or Methodology] to help solve the challenges your team is currently facing regarding [Current Industry Challenge or Known Company Goal].

I have attached my portfolio for your review and look forward to the possibility of discussing how my design philosophy aligns with the vision of [Company Name].

Thank you for your time and consideration.

Best regards,
