Dear [Hiring Manager Name],

I am writing to express my strong interest in the **Frontend Software Engineer** position at [Company Name]. I was excited to learn about this opening through a referral from **[Employee Name]**, who currently works as a [Employee's Job Title] on the [Department Name] team.

During my [Number] years of experience building responsive web applications, I have developed a deep expertise in modern frontend technologies including [Primary Framework, e.g., React/Vue/Angular], TypeScript, and CSS architecture. At my previous role at [Previous Company], I led the development of [Project Name], which resulted in a [Percentage]% improvement in performance and significantly enhanced the user experience for [Number] active users.

[Employee Name] has spoken highly of [Company Name]'s culture of technical excellence and your team's current focus on [Specific Company Project or Goal]. I am confident that my background in optimizing frontend performance and my passion for creating intuitive, accessible user interfaces align perfectly with the goals of your engineering team.

Thank you for your time and consideration. I look forward to the possibility of discussing how my skills in [Key Skill 1] and [Key Skill 2] can contribute to the continued success of [Company Name].

Sincerely,

[Your Name]
