Re: Technical Project Manager - *[Job Requisition Number]*

Dear *[Hiring Manager Name or "Technical Talent Acquisition Team"]*,

I am writing to express my interest in the Technical Project Manager position at *[Company Name]*. I was encouraged to apply for this role by *[Referral Name]*, who currently serves as *[Referral Title]* within your *[Department Name]* team.

With over *[Number]* years of experience managing complex software development lifecycles and cross-functional engineering teams, I have developed a deep proficiency in *[mention 2-3 technical areas, e.g., cloud migrations, Agile/Scrum, or API integrations]*. In my current role at *[Current/Previous Company]*, I successfully led *[Briefly describe a high-impact project]*, resulting in a *[Percentage/Metric]* increase in delivery efficiency.

I am particularly drawn to *[Company Name]* because of its recent initiatives in *[specific company project or technology]*. Having worked closely with *[Referral Name]* in the past, I am confident that my ability to bridge the gap between technical requirements and business objectives aligns perfectly with your team's culture and operational goals.

Thank you for your time and for considering my application. I look forward to the possibility of discussing how my technical project management background can contribute to the continued success of *[Company Name]*.

Sincerely,

[Your Signature]
