[Institution Address]

Dear [Recipient Name/Hiring Manager],

I am writing to formally recommend [**Candidate Full Name**] for the position of Oncology Nurse at [**Institution Name**]. Having worked closely with [Candidate Name] for [Number] years at [Current/Past Institution], I can attest to their exceptional clinical expertise and dedication to patient-centered cancer care.

[Candidate Name] possesses a deep understanding of [specific area: e.g., chemotherapy administration, palliative care, or bone marrow transplant]. They consistently demonstrate proficiency in managing complex symptom profiles and providing compassionate support to both patients and their families during difficult transitions.

In addition to their technical skills, [Candidate Name] is a collaborative team member who excels in multidisciplinary environments. Their commitment to safety protocols and evidence-based practice has significantly contributed to our unit's quality of care standards.

I am confident that [Candidate Name] would be a valuable asset to your oncology department. Please feel free to contact me if you require any further information regarding their qualifications or performance.

Sincerely,
