Dear [Mr./Ms. Last Name],

I am writing to express my interest in the **[Position Title, e.g., Equity Research Associate]** position at [Firm Name], focusing on the **[Sector Name]** sector. I am reaching out at the suggestion of **[Referral Name]**, currently a **[Referral's Title]** at your firm, who spoke highly of the team's rigorous analytical framework and market-leading insights.

With a background in **[Your Degree/Background]** and experience in **[Key Skill/Previous Internship]**, I have developed a strong foundation in financial modeling, valuation techniques (DCF, Comps), and fundamental bottom-up analysis. During my time at **[Previous Company/Organization]**, I was responsible for **[Brief accomplishment or task, e.g., constructing earnings models for 15 mid-cap industrials]**, which sharpened my ability to distill complex data into actionable investment recommendations.

I have long admired [Firm Name]'s reputation for **[Specific firm strength, e.g., differentiated alpha generation / deep thematic research]**. I am particularly interested in how your team navigates **[Current Sector Trend]** and believe my technical proficiency and commitment to meticulous research would allow me to contribute immediately to your coverage efforts.

Thank you for your time and consideration. I have attached my resume and a sample initiating coverage report on **[Ticker/Company Name]** for your review. I look forward to the possibility of discussing how my skills align with the needs of your research team.

Sincerely,
