**Re: Referral for [Job Title] - [Referrer Name]**

Dear [Hiring Manager Name],

I am writing to express my interest in the [Job Title] position at [Company Name], as recommended to me by [Referrer Name], [Referrer's Job Title] at [Referrer's Company/Department]. Having followed [Company Name]'s recent work in [Specific Industry/Project], I am eager to apply my expertise in data architecture and predictive modeling to your consulting team.

Currently, as a Data Analytics Consultant at [Current/Previous Company], I specialize in transforming complex datasets into actionable business intelligence. My background includes:

- [Key Achievement 1: e.g., Developing SQL/Python pipelines that reduced processing time by X%]
- [Key Achievement 2: e.g., Leading a visualization project that identified \$X in cost savings]
- [Key Achievement 3: e.g., Translating technical findings for C-suite stakeholders to drive strategy]

I am particularly drawn to [Company Name] because of your commitment to [Specific Company Value or Methodology]. I am confident that my technical proficiency in [Key Tools, e.g., Tableau, PowerBI, Snowflake] combined with my consulting background will allow me to deliver immediate value to your clients.

I have attached my resume for your review and welcome the opportunity to discuss how my analytical skills can support [Company Name]'s objectives. Thank you for your time and consideration.

Sincerely,

[Your Name]
