Re: Referral for [Job Title/Consulting Role] - [Referrer's Name]

Dear [Hiring Manager Name],

I am writing to express my interest in the Enterprise Cybersecurity Consultant position at [Company Name], as recommended to me by [Referrer's Name], who currently serves as [Referrer's Title] within your organization. Having collaborated with [Referrer's Name] previously at [Past Company/Project], they suggested that my background in enterprise-grade security architecture and risk mitigation would align well with your firm's current strategic initiatives.

With over [Number] years of experience securing complex IT environments, I specialize in [Key Skill 1, e.g., Zero Trust Architecture], [Key Skill 2, e.g., Cloud Security Governance], and [Key Skill 3, e.g., Incident Response Management]. In my previous tenure at [Previous Company], I successfully led a [Project Description] that resulted in a [Specific Metric, e.g., 40% reduction in vulnerability dwell time]. My approach prioritizes balancing robust technical controls with the operational continuity required by global enterprises.

I am particularly drawn to [Company Name] because of your recent focus on [Specific Company Project or Value]. I am confident that my expertise in [Specific Technical Tool or Framework] and my ability to communicate high-level cyber risks to executive stakeholders will provide immediate value to your consultancy team.

I have attached my resume and detailed project portfolio for your review. I look forward to the possibility of discussing how my technical background and advisory experience can support [Company Name]'s security objectives.

Thank you for your time and consideration.

Sincerely,

[Your Name]
