Re: [Job Title] Application - Referral from [Referrer's Name]

Dear [Hiring Manager Name],

I am writing to express my interest in the [Job Title] position at [Company Name], as recommended to me by [Referrer's Name], [Referrer's Title or Relationship to Company]. Having worked with [Referrer's Name] in the past, they suggested that my background in enterprise systems integration and middleware architecture would be an ideal fit for your current technical initiatives.

With [Number] years of experience as a Systems Integration Consultant, I specialize in bridging the gap between disparate software ecosystems and streamlining business processes. My expertise includes:

- Designing and implementing [API/ESB/ETL] solutions to ensure seamless data flow.
- Managing end-to-end integration lifecycles for [specific platforms like Salesforce, SAP, or AWS].
- Reducing technical debt by consolidating legacy systems into modern, scalable architectures.
- Collaborating with cross-functional stakeholders to translate business requirements into robust technical specifications.

I have long admired [Company Name]'s commitment to [mention a specific company project, value, or technology]. I am confident that my technical proficiency and consultative approach will allow me to contribute immediately to the success of your integration roadmap.

I have attached my resume for your review and would welcome the opportunity to discuss how my skills can support [Company Name]'s objectives. Thank you for your time and consideration.

Sincerely,

[Your Name]
