**Re: Technical Project Manager Consultant - Referred by [Referral Name]**

Dear [Hiring Manager Name],

I am writing to express my interest in the Technical Project Manager Consultant position at [Company Name], as recommended to me by [Referral Name], who [briefly describe relationship, e.g., I worked with at Company X]. Having followed [Company Name]'s recent initiatives in [specific industry/technology], I am eager to contribute my expertise in technical lifecycle management and cross-functional leadership to your team.

With [Number] years of experience managing complex technical projects, I specialize in bridging the gap between high-level business strategy and technical execution. In my previous roles, I have successfully:

- Managed budgets up to [Dollar Amount] and led distributed teams of [Number] engineers and stakeholders.
- Delivered [Specific Project Type] using [Methodology: Agile/Scrum/Waterfall], resulting in a [Percentage]% increase in efficiency.
- Optimized [Specific Technical Process or System] to meet stringent [Compliance/Performance] requirements.

[Referral Name] spoke highly of your current goals regarding [mention a specific challenge or project the company is facing]. My background in [specific skill, e.g., Cloud Migration, SDLC, or API Integrations] aligns directly with these objectives, and I am prepared to provide the consultative oversight necessary to ensure seamless delivery.

I have attached my resume for your review and would welcome the opportunity to discuss how my consulting approach can support [Company Name]'s upcoming milestones. Thank you for your time and consideration.

Best regards,
