RE: Hydraulic Engineer Position - Referral by [Referrer Name]

Dear *[Hiring Manager Name]*,

I am writing to express my interest in the Hydraulic Engineer position at *[Company Name]*. I was referred to this opportunity by *[Referrer Name]*, who spoke highly of your firm's recent work on *[Specific Project or Initiative]*.

With a background in *[Degree/Field of Study]* and *[Number]* years of experience in fluid mechanics and water resource management, I have developed a strong expertise in *[Specific Skill, e.g., HEC-RAS modeling, drainage design, or pump system optimization]*. In my previous role at *[Previous Company]*, I successfully managed *[Key Achievement or Project]*, resulting in *[Quantifiable Result]*.

I am particularly drawn to *[Company Name]* because of your reputation for *[Specific Company Strength]*. I am confident that my technical proficiency in hydraulic modeling software and my commitment to sustainable infrastructure design would make me a valuable asset to your engineering team.

Thank you for your time and for considering my application. I have attached my resume for your review and look forward to the possibility of discussing how my skills align with the needs of *[Company Name]*.

Sincerely,
