RE: Professional Referral for [Candidate Name] - [Job Title/Position]

Dear [Mr./Ms./Mx. Last Name],

It is with distinct pleasure that I recommend **[Candidate Name]** for the position of [Position Name] at [Hospital Name]. Having worked closely with [Candidate Name] for [Number] years in the [Department Name] at [Your Current Institution], I have witnessed firsthand their clinical expertise and dedication to patient-centered pharmaceutical care.

During our professional tenure, [Candidate Name] consistently demonstrated excellence in [mention specific skill: e.g., antimicrobial stewardship, sterile compounding, or medication reconciliation]. Their ability to integrate seamlessly with the multidisciplinary clinical team-including physicians and nursing staff-has significantly improved therapeutic outcomes within our facility. Notably, [Candidate Name] was instrumental in [mention a specific project, achievement, or clinical intervention].

Beyond clinical proficiency, [Candidate Name] possesses the meticulous attention to detail and high ethical standards required for hospital pharmacy practice. They remain calm under pressure and adapt quickly to the fast-paced requirements of acute care environments and evolving pharmacy regulations.

I am confident that [Candidate Name] would be a valuable asset to your pharmacy department and would uphold the high standards of [Hospital Name]. Please feel free to contact me if you require any further information regarding their qualifications or performance.

Sincerely,
