**RE: PROFESSIONAL REFERRAL FOR [CANDIDATE NAME] - INPATIENT
PHARMACY SPECIALIST**

Dear [Mr./Ms./Mx. Surname],

It is with professional enthusiasm that I recommend **[Candidate Name]** for the position of Inpatient Pharmacy Specialist at [Facility Name]. Having worked closely with [Candidate Name] for [Number] years in the [Specific Department, e.g., Critical Care/Internal Medicine] at [Current/Former Institution], I can attest to their exceptional clinical expertise and dedication to patient safety.

During our collaboration, [Candidate Name] consistently demonstrated a high level of proficiency in complex medication therapy management, sterile compounding oversight, and multidisciplinary rounding. They were particularly instrumental in [mention a specific achievement, e.g., optimizing antimicrobial stewardship protocols or reducing medication errors in the ICU].

Beyond their technical skills as a pharmacist, [Candidate Name] possesses the strong communication and leadership qualities necessary for a high-volume inpatient environment. They interface seamlessly with physicians and nursing staff to ensure seamless care transitions and evidence-based pharmaceutical interventions.

I am confident that [Candidate Name] would be a significant asset to your clinical pharmacy team. Please feel free to contact me if you require any further information regarding their professional background and performance.

Sincerely,
[Your Printed Name]
