Re: Professional Referral for [Candidate Name]

Dear [Recipient Name],

It is with professional confidence that I recommend **[Candidate Name]** for the position of Nuclear Pharmacist at [Facility Name]. Having worked closely with [Candidate Name] for [Number] years at [Previous Organization], I have observed their exceptional technical proficiency in the handling, compounding, and dispensing of radiopharmaceuticals.

During our tenure together, [Candidate Name] demonstrated a rigorous commitment to USP <797> and <825> standards, as well as NRC safety regulations. Their expertise in [Specific Skill, e.g., SPECT/PET isotope preparation or Dose Calibration] consistently ensured the highest level of diagnostic accuracy and patient safety. Beyond technical skills, their meticulous approach to radiation safety protocols and quality control documentation is exemplary.

I am particularly impressed by [Candidate Name]'s ability to manage the high-pressure environment of a nuclear pharmacy, especially during time-sensitive morning runs. They possess the clinical judgment required to consult with physicians regarding drug-to-drug interactions and optimal imaging protocols effectively.

I highly recommend [Candidate Name] for your team. Please feel free to contact me if you require further information regarding their qualifications or professional background.

Sincerely,
