RE: Senior Mechanical Engineer Application - Referred by [Referrer Name]

Dear [Hiring Manager Name],

I am writing to express my interest in the Senior Mechanical Engineer position at [Company Name]. I was encouraged to apply for this role by [Referrer Name], who currently works as a [Referrer's Title] in your [Department Name] department and spoke highly of the innovative culture within your engineering team.

With over [Number] years of experience in mechanical design, product development, and project management, I have developed a deep expertise in [Core Technical Skill, e.g., FEA, CAD modeling, or Thermal Analysis]. In my previous role at [Current/Last Company], I successfully led a team through the full product lifecycle of [Specific Project Type], resulting in a [Metric, e.g., 15% reduction in production costs].

My technical background aligns closely with [Company Name]'s focus on [Specific Company Goal or Industry]. I am particularly drawn to your recent work on [Specific Company Project or Product] and believe my experience in [Relevant Specialization] would allow me to contribute immediately to your design objectives.

I would appreciate the opportunity to discuss how my engineering background and leadership experience can support the technical goals at [Company Name]. Thank you for your time and for considering my application through [Referrer Name]'s recommendation.

Sincerely,
