[Company Address]

Dear [Hiring Manager Name],

I am writing to express my enthusiastic interest in the [Position Title] role at [Company Name]. With a strong foundation in visual communication from my background in Graphic Design and a recent focus on User Experience, I am eager to apply my skills in empathy-driven design and problem-solving to your product team.

During my [Number] years as a Graphic Designer, I developed a keen eye for typography, hierarchy, and brand consistency. However, my desire to understand *why* users interact with designs led me to transition into UX. I have since complemented my aesthetic expertise with proficiency in user research, wireframing, and interactive prototyping using tools like [Tool name, e.g., Figma].

In my recent projects, I successfully translated complex brand requirements into intuitive digital interfaces. I am particularly drawn to [Company Name] because of [specific reason, e.g., your commitment to accessible design/the innovative approach to Fintech]. I am confident that my ability to bridge the gap between high-fidelity visuals and functional user journeys will make me a valuable asset to your design department.

Thank you for your time and consideration. I look forward to the possibility of discussing how my unique blend of graphic design experience and UX training can contribute to the success of [Company Name].

Sincerely,

[Your Name]
