[Company Name]

[Company Address]

Dear [Hiring Manager Name/Selection Committee],

I am writing to express my strong interest in the **[Job Title]** position at **[Company Name]**. With [Number] years of experience in clinical research within academic settings at [University/Institute Name], I am eager to transition my expertise in [Specialty, e.g., Oncology, Phase II Trials, Immunology] to the innovative corporate environment of [Company Name].

Throughout my academic career, I have developed a rigorous foundation in [Key Skill 1: e.g., GCP compliance/Study Protocol Design] and [Key Skill 2: e.g., Patient Recruitment/Data Analysis]. Notably, I led a study that [mention a key achievement, e.g., increased enrollment by X% or resulted in a high-impact publication]. While my background is rooted in academia, my focus has always been on [mention a transferable value, e.g., operational efficiency, cross-functional collaboration, or data integrity], which aligns directly with [Company Name]'s mission to [mention company goal/mission].

In addition to my technical proficiency, I bring a collaborative mindset and experience managing multidisciplinary teams consisting of [list roles, e.g., PIs, nurses, and lab technicians]. I am highly motivated to pivot into the industry to apply my analytical rigor toward [mention industry-specific focus, e.g., accelerating drug development cycles/improving patient outcomes at scale].

Thank you for your time and consideration. I look forward to the possibility of discussing how my clinical background and dedication to research excellence can contribute to the team at [Company Name].

Sincerely,

[Full Name]
