Dear [Hiring Manager Name],

I am writing to express my interest in the [Job Title] position at [Company Name]. As a [Current Role, e.g., Senior Research Fellow] at [University Name] with [Number] years of experience in [Your Field], I have developed a deep technical expertise in [Specific Skill/Technology] that aligns directly with [Company Name]'s current objectives in [Specific R&D Area].

Throughout my academic career, I have successfully translated complex theoretical concepts into practical applications. My research on [Specific Project] resulted in [Quantifiable Result, e.g., a 20% increase in efficiency or a patented methodology], demonstrating my ability to deliver high-impact results within rigorous timelines. I am now eager to transition my analytical mindset and technical proficiency to a corporate environment where I can contribute to the development of market-ready products.

Bridging the gap between fundamental research and commercial viability is where I excel. I have a proven track record of cross-functional collaboration, having led multidisciplinary teams and managed industrial partnerships with [Example Partner]. My experience in [Specific Technical Tool/Language] and [Relevant Process, e.g., Agile or GLP] ensures that I can integrate seamlessly into your R&D pipeline and contribute to [Company Name]'s mission of [Company Mission/Goal].

I am particularly drawn to [Company Name] because of your recent work in [Specific Company Achievement]. I am confident that my background in [Specialization] will allow me to solve the unique challenges your team is currently facing.

Thank you for your time and consideration. I look forward to the possibility of discussing how my research background and technical skills can drive innovation at [Company Name].

Sincerely,
