Re: **[Job Title]** Application

Dear [Hiring Manager Name],

I am writing to express my strong interest in the [Job Title] position at [Company Name]. Having spent the past [Number] years operating as a high-level technical contractor for diverse organizations including [Company A] and [Company B], I am now seeking to transition my expertise into a long-term, stable corporate role where I can drive sustained impact and internal growth.

Throughout my tenure as a contractor, I have specialized in [Core Skill 1], [Core Skill 2], and [Core Skill 3]. This path has required me to be exceptionally adaptable, quickly mastering complex systems and delivering immediate ROI under tight deadlines. Notable achievements include:

- [Briefly describe a major technical project and the specific outcome/metric].
- [Describe a time you solved a critical problem or optimized a workflow].
- [Mention a technology stack or methodology you pioneered or managed].

While I value the breadth of experience contracting has provided, I am specifically looking to move away from project-based cycles to a permanent position at [Company Name]. I am drawn to your organization's [mention a specific company value, product, or recent achievement] and am eager to apply my technical versatility to support your long-term roadmap rather than a temporary milestone.

My background allows me to bring the "consultant's mindset"-efficiency, rapid problem-solving, and objective analysis-to your internal team. I am confident that my technical proficiency and my desire for professional stability make me an ideal fit for this role.

Thank you for your time and consideration. I look forward to the possibility of discussing how my background aligns with the goals of [Company Name].

Sincerely,

[Your Name]
