Dear [Hiring Manager Name],

Re: Application for Ergonomics Consultant position

[Opening paragraph: State your years of experience as a Physical Therapist and your specific interest in transitioning clinical expertise into corporate or industrial ergonomics for [Company Name].]

[Second paragraph: Highlight your expertise in musculoskeletal disorder (MSD) prevention, biomechanical analysis, and functional capacity evaluations. Mention specific certifications like CEAS or COMT if applicable.]

[Third paragraph: Describe your experience conducting workstation assessments, developing injury prevention programs, or providing education on postural health and workplace wellness.]

[Fourth paragraph: Explain how your clinical background allows you to provide data-driven recommendations that reduce worker's compensation claims and improve employee productivity.]

Thank you for your time and consideration. I look forward to discussing how my therapeutic background can support your team's health and safety goals.

Sincerely,

[Your Signature]
