Dear [Hiring Manager Name],

Re: Senior Global Strategy Consultant

[Introduction: State the specific role and express interest. Briefly summarize your years of experience in cross-border strategy, market entry, or digital transformation within the [Industry] sector.]

[Body Paragraph 1: Highlight high-level strategic achievements. Focus on quantifiable impacts such as ROI, market share growth, or cost-optimization initiatives led across multiple global regions.]

[Body Paragraph 2: Discuss leadership and stakeholder management. Detail your experience advising C-suite executives and managing diverse, international teams to execute complex organizational pivots.]

[Body Paragraph 3: Alignment with company. Explain why this specific firm's global footprint or recent strategic direction resonates with your expertise and professional philosophy.]

[Closing: Reiterate value proposition. Propose a meeting to discuss how your global perspective can contribute to [Company Name]'s upcoming objectives.]

Sincerely,

[Full Name]
