Dear [Hiring Manager Name],

Re: Application for Lead Asset Protection Manager

[Opening paragraph: State your interest in the position, your years of experience in loss prevention/security management, and a brief mention of your overarching career goal related to organizational safety and profit preservation.]

[Body paragraph 1: Highlight your leadership experience. Discuss managing teams, developing training programs for staff, and collaborating with cross-functional departments to implement risk mitigation strategies.]

[Body paragraph 2: Detail specific technical achievements. Include experience with CCTV/EAS systems, conducting internal investigations, managing shrink reduction audits, and your proficiency in data analysis to identify high-risk trends.]

[Body paragraph 3: Focus on measurable results. Mention specific percentages of shrink reduction, recovery of assets, or improvements in safety compliance under your leadership.]

[Closing paragraph: Reiterate your enthusiasm for the brand. State your desire for an interview to discuss how your strategic approach to asset protection aligns with the company's operational goals.]

Sincerely,
