Dear [Hiring Manager Name or "Internship Coordinator"],

I am writing to express my interest in the **[Title of Internship]** position at **[Company Name]**, as advertised on **[Where you saw the posting]**. As a **[Year, e.g., Junior]** student pursuing a Bachelor's degree in Computer Science at **[University Name]**, I have developed a strong foundation in **[Core Skill 1]** and **[Core Skill 2]** which I am eager to apply to your engineering team.

During my academic career, I have completed projects involving **[Specific Technology or Framework]**. Notably, for my **[Project Name]**, I designed and implemented a **[Brief Description of Project Goal]**. This required me to solve complex problems regarding **[Technical Challenge]** and resulted in **[Quantifiable Outcome or Learning]**. This experience solidified my proficiency in **[Language/Tool]** and my ability to work within an Agile development environment.

I am particularly drawn to **[Company Name]** because of your recent work in **[Specific Company Project or Field]**. I am eager to bring my passion for **[Area of Interest, e.g., Machine Learning, Backend Scalability]** to your team and contribute to the high-quality software solutions you provide to your clients.

Thank you for your time and consideration. I have attached my resume and look forward to the possibility of discussing how my technical skills and project experience can benefit the **[Specific Team Name]** at **[Company Name]**.

Sincerely,
