Dear [Hiring Manager Name],

I am writing to express my strong interest in the **Application Security Analyst** position at [Company Name]. With a technical background in [Specific Area, e.g., Web App Penetration Testing or Secure SDLC] and a commitment to mitigating software vulnerabilities, I am eager to contribute to your security posture.

During my tenure at [Current/Previous Company], I was responsible for [Key Technical Responsibility]. My technical core competencies include:

- **Vulnerability Management:** Identifying and triaging OWASP Top 10 risks using [SAST/DAST Tools].
- **Secure Coding:** Conducting manual code reviews in [Languages, e.g., Java, Python, Go].
- **Architecture:** Integrating security gates into CI/CD pipelines via [Tooling, e.g., Jenkins, GitLab CI].
- **Remediation:** Collaborating with engineering teams to implement [Specific Security Control].

I am particularly drawn to [Company Name] because of your recent focus on [Specific Company Initiative or Product]. I am confident that my experience with [Specific Technology/Framework] will allow me to provide immediate value to your Application Security team.

Thank you for your time and consideration. I look forward to discussing how my technical skills in threat modeling and vulnerability assessment can support [Company Name]'s security goals.

Sincerely,

[Your Name]
