[Hiring Manager Name]

[Company Name]

[Company Address]

Dear [Hiring Manager Name/Hiring Team],

I am writing to express my interest in the [Job Title] position at [Company Name]. Having recently transitioned from a successful career in [Former Industry/Role] to software engineering, I am eager to leverage my technical training in [Key Technologies/Languages] alongside my professional experience in [Previous Skill, e.g., Project Management or Data Analysis] to contribute to your development team.

During my recent [Bootcamp/Degree/Self-Taught Journey], I developed a strong foundation in [Technical Skill 1], [Technical Skill 2], and [Technical Skill 3]. My capstone project, [Project Name], involved [Brief description of what the app does and the specific problem it solved]. This experience allowed me to master [Specific Tool/Framework] and solidified my ability to write clean, maintainable code in an agile environment.

While I am an entry-level engineer, my previous career as a [Former Job Title] has equipped me with high-level [Transferable Skill 1] and [Transferable Skill 2]. I understand how to [Specific professional achievement, e.g., meet tight deadlines or collaborate with stakeholders], which allows me to approach software development with a unique, solution-oriented perspective and a mature work ethic.

I am particularly drawn to [Company Name] because of [Specific reason about the company's product, mission, or tech stack]. I am confident that my blend of technical skills and professional background makes me a valuable addition to your engineering team.

Thank you for your time and consideration. I look forward to the possibility of discussing how my background can support [Company Name]'s goals.

Sincerely,

[Your Full Name]
