Dear [Hiring Manager Name],

I am writing to express my interest in the **Junior Frontend Developer** position at [Company Name]. As a developer passionate about building intuitive, responsive user interfaces, I have spent the last [Time Period] mastering modern web technologies and building projects that prioritize clean code and user experience.

During my time at [Previous Experience/Bootcamp/Self-Study], I developed a strong foundation in **HTML5, CSS3, and JavaScript (ES6+)**. I am particularly proficient in **[Specific Framework, e.g., React/Vue/Angular]** and have experience with [Mention 1-2 additional skills, e.g., Tailwind CSS, Git version control, or REST APIs]. One of my proudest achievements includes [Briefly mention a specific project or technical problem solved].

What draws me to [Company Name] is your focus on [Mention a specific company value or product]. I am eager to contribute my technical skills to your development team while learning from your experienced engineers to help deliver high-quality digital products.

Thank you for your time and consideration. I look forward to the possibility of discussing how my skills and enthusiasm for frontend development can benefit [Company Name].

Best regards,
