Dear [Hiring Manager Name],

I am writing to express my enthusiastic interest in the **[Job Title]** position at **[Company Name]**, as advertised on [Where you saw the ad]. As a recent [Degree Name] graduate with a focus on [iOS/Android/Cross-platform] development, I am eager to apply my technical skills to your engineering team.

During my studies and personal projects, I have developed a strong foundation in **[Primary Language, e.g., Swift, Kotlin, or React Native]**. My most notable project, [Project Name], involved [briefly describe a key feature or problem solved]. This experience allowed me to manage the full mobile development lifecycle, from UI design to API integration and debugging.

I am particularly drawn to [Company Name] because of [mention a specific app, feature, or company value]. I am a fast learner who stays updated on the latest mobile trends and architectural patterns like [MVVM/MVC]. I am confident that my technical aptitude and passion for building user-centric mobile experiences make me a strong candidate for this entry-level role.

Thank you for your time and consideration. I look forward to the possibility of discussing how my skills can contribute to the success of the mobile team at [Company Name].

Sincerely,

[Your Name]
