Dear [Hiring Manager Name or "Hiring Team"],

I am writing to express my interest in the [Job Title, e.g., Software Engineer Internship] position at [Company Name], as advertised on [Platform/Source]. As a [Current Year, e.g., Junior] student pursuing a [Degree Name] at [University Name], I have developed a strong foundation in [List 2-3 Core Skills, e.g., Data Structures, Java, and Distributed Systems]. I am eager to apply my technical skills to contribute to [Company Name]'s [Specific Project or Department].

During my academic career, I have completed several projects that demonstrate my ability to solve complex problems. For example, in my [Project Name] project, I utilized [Technology A] and [Technology B] to [Brief Description of Achievement/Function]. This experience enhanced my proficiency in [Skill] and taught me the importance of writing clean, maintainable code within a collaborative environment.

Beyond my technical coursework, I am deeply interested in [Company Name]'s work in [Specific Industry or Technology Area]. I am particularly impressed by [Specific Company Initiative or Product] and would welcome the opportunity to learn from your esteemed engineering team while contributing to your development goals.

Thank you for your time and for considering my application. I have attached my resume for your review and look forward to the possibility of discussing how my background and enthusiasm for software development can benefit [Company Name].

Sincerely,
