Dear [Hiring Manager Name],

I am writing to express my interest in the **Entry Level Full Stack Developer** position at [Company Name]. As a recent graduate with a [Degree/Certification Name] and a strong foundation in both front-end and back-end development, I am eager to contribute to your engineering team.

During my studies and independent projects, I have developed proficiency in **[Primary Language/Framework, e.g., JavaScript, React, and Node.js]**. My most significant project, [Project Name], involved building a [brief description of application]. In this project, I successfully:

- Developed responsive user interfaces using [CSS Framework/Library].
- Designed and implemented RESTful APIs using [Back-end Technology].
- Managed data persistence with [Database Type, e.g., PostgreSQL or MongoDB].

I am particularly drawn to [Company Name] because of [mention a specific company value, product, or recent tech achievement]. I am a fast learner who thrives in collaborative environments and am committed to writing clean, maintainable code.

Thank you for your time and consideration. I have attached my resume and look forward to the possibility of discussing how my skills can support the goals of [Company Name].

Sincerely,

[Your Name]
