Dear [Hiring Manager Name],

I am writing to express my interest in the Junior Front End Web Developer position at [Company Name], as advertised on [Platform/Source]. As a highly motivated developer with a strong foundation in HTML, CSS, and JavaScript, I am eager to contribute to your team and help build high-quality web applications.

During my [Time Period, e.g., Bootcamp/Degree/Self-Taught period], I developed a passion for creating responsive and user-centric interfaces. My technical toolkit includes [List 3-4 Key Skills, e.g., React, Git, Tailwind CSS, and Responsive Design]. I recently completed [Project Name/Certification], where I successfully [Briefly describe a specific achievement or technical challenge solved].

I am particularly drawn to [Company Name] because of [Mention a specific reason, e.g., their commitment to accessibility / recent product launch / tech stack]. I am a quick learner who thrives in collaborative environments, and I am committed to writing clean, maintainable code while staying updated on modern front-end trends.

Thank you for your time and for considering my application. I have attached my resume and look forward to the possibility of discussing how my skills and enthusiasm can benefit the development team at [Company Name].

Sincerely,

[Your Full Name]
