Dear [Hiring Manager Name or "Clinical Research Recruitment Team"],
I am writing to express my strong interest in the Clinical Research Internship at [Organization Name], as advertised on [Platform]. As a [Current Year/Major] student at [University Name] with a background in [Specific Field, e.g., Biology/Public Health], I am eager to contribute to your team's efforts in [Specific Research Area or Department].

Throughout my academic career, I have developed a solid foundation in [Key Skill 1, e.g., Good Clinical Practice (GCP)] and [Key Skill 2, e.g., Data Management]. In my [Previous Lab Experience/Relevant Coursework], I successfully [Action Verb + Result, e.g., assisted in data collection for a study on X], which refined my attention to detail and understanding of ethical research protocols.

I am particularly drawn to [Organization Name] because of your recent work regarding [Specific Project or Study]. I am confident that my technical proficiency in [Software/Lab Technique] and my ability to work effectively within a multidisciplinary team make me a strong candidate for this internship.

Thank you for your time and for considering my application. I look forward to the possibility of discussing how my skills and passion for clinical research can support [Organization Name].

Sincerely,
