Dear [Dr./Mr./Ms. Last Name],

I am writing to express my strong interest in the Pharmacology Research Internship at [Institution/Company Name], as advertised on [Platform where you saw the ad]. As a [Year of Study] [Major/Degree] student at [University Name] with a specific focus on [Specific Area of Interest, e.g., Pharmacokinetics or Neuropharmacology], I am eager to contribute to your team's research regarding [Specific Research Topic/Project of the Lab].

My academic background has provided me with a solid foundation in [List 2-3 relevant subjects, e.g., Molecular Biology, Biochemistry, and Medicinal Chemistry]. During my coursework, I have developed technical proficiency in laboratory techniques such as [List specific skills, e.g., HPLC, cell culture, pipetting, or data analysis software]. Furthermore, my previous experience with [Mention a specific project or lab work] allowed me to refine my ability to [Mention a soft skill, e.g., maintain precise documentation or work collaboratively in a fast-paced environment].

I am particularly drawn to [Institution/Company Name] because of your recent work in [Mention a specific paper, drug trial, or research breakthrough]. I am eager to bring my analytical mindset and dedication to scientific rigor to your research objectives while further developing my skills under the mentorship of your esteemed team.

Thank you for your time and consideration. I have attached my resume and [mention any other documents, like transcripts] for your review. I look forward to the possibility of discussing how my background aligns with the goals of your research program.

Sincerely,

[Signature (if sending by mail)]
