[Company Address] Dear [Hiring Manager Name or "Design Hiring Team"], I am writing to express my enthusiastic interest in the **Junior UX Designer** position at [Company Name]. With a professional background in [Former Industry/Role] and a recent transition into User Experience Design through [Certification/Bootcamp/Degree], I offer a unique blend of [Soft Skill 1, e.g., stakeholder management] and user-centered design principles. During my career in [Former Industry], I developed a deep understanding of [Transferable Skill, e.g., human behavior or complex problem solving]. I am now applying that expertise to the digital space. My portfolio showcases projects like [Project Name], where I successfully [Briefly describe a design win: e.g., improved conversion by 15% or solved a specific user pain point] using tools such as Figma and Adobe XD. I am particularly drawn to [Company Name] because of your commitment to [Specific Company Value or Product Feature]. I am eager to bring my diverse perspective and my technical skills in wireframing, prototyping, and usability testing to your design team. Thank you for your time and consideration. I look forward to the possibility of discussing how my unconventional background and design training can contribute to the success of [Company Name]. Sincerely,
