[Company Name / FinTech Firm]

[Company Address]

Dear [Hiring Manager Name or "Design Team"],

I am writing to express my interest in the Junior UX Designer position at [Company Name]. As a designer with a strong interest in the intersection of [Specific FinTech Sector, e.g., Neobanking, DeFi, or Wealth Management], I have long admired [Company Name]'s commitment to [specific product or company value, e.g., financial transparency/seamless payment UX].

During my [Academic Program/Bootcamp/Internship], I developed a deep appreciation for the complexity of financial interfaces. I understand that UX in FinTech requires a delicate balance between high-security requirements and frictionless user journeys. In my portfolio project, [Project Name], I tackled [Specific Problem, e.g., simplifying complex data visualization for retail investors], resulting in [Metric or Outcome]. This experience sharpened my ability to translate technical financial constraints into intuitive, user-centric designs.

I am particularly drawn to [Company Name] because of your recent work on [Specific Feature or Initiative]. My technical toolkit includes proficiency in Figma and Protopie, as well as a foundational understanding of [Relevant Skill, e.g., Accessibility Standards or Design Systems]. I am eager to bring my analytical mindset and passion for financial literacy to your design team.

Thank you for your time and consideration. I look forward to the possibility of discussing how my design philosophy aligns with the goals of [Company Name].

Sincerely,
