Dear *[Hiring Manager Name or "Product Design Team"]*, I am writing to express my interest in the **Junior UX Designer** position at *[Company Name]*. As a designer who follows *[Company Name]*'s approach to *[Specific Product or Industry Trend]*, I am eager to contribute my skills in user research, wireframing, and interactive prototyping to your design team. During my time at *[University/Bootcamp/Previous Internship]*, I developed a strong foundation in human-centered design. In my recent project, *[Project Name]*, I solved *[Problem Statement]* by conducting *[Type of Research]* which led to a *[Percentage/Metric]* improvement in *[User Goal]*. I am proficient in Figma and Adobe Creative Suite, and I thrive in collaborative environments where I can translate complex requirements into intuitive digital experiences. What excites me most about *[Company Name]* is your commitment to *[Specific Company Value or Feature]*. I am particularly impressed by how your team handles *[Specific Design Detail]*. I am confident that my technical skills and my proactive approach to learning will allow me to make immediate contributions to your upcoming product roadmap. I have attached my resume and a link to my portfolio, which showcases my process from initial discovery to high-fidelity handoff. I look forward to the possibility of discussing how my design perspective aligns with the goals of *[Company Name]*.

Sincerely,

*[Your Full Name]*
