Dear [Hiring Manager Name],

I am writing to express my enthusiastic interest in the **Junior UX Designer** position at [Company Name]. As a designer passionate about [Specific Industry/Focus], I have spent my recent projects focusing on bridging the gap between user needs and business goals through empathetic, data-driven design.

Selected Portfolio Work: [Link to Portfolio]

In my featured project, "[Project Name]", I solved for [User Problem]. My process involved:

- **Research:** [Method used, e.g., User Interviews/Surveys]
- **Iteration:** [Method used, e.g., Wireframing/Rapid Prototyping]
- **Outcome:** [Specific result, e.g., Improved task completion by X%]

During my time at [Previous Experience/Education], I refined my skills in **[Skill 1, e.g., Figma]**, **[Skill 2, e.g., Design Systems]**, and **[Skill 3, e.g., Usability Testing]**. I am particularly drawn to [Company Name] because of your commitment to [Company Value or Specific Product Feature], and I am eager to bring my collaborative mindset to your design team.

I look forward to the possibility of discussing how my design approach and technical skills can contribute to the continued success of the [Company Name] product suite.

Best regards,
