Re: Application for Junior Ecological Consultant Position

Dear [Hiring Manager Name],

I am writing to express my interest in the Junior Ecological Consultant position at [Company Name], as advertised on [Platform/Website]. With a [Degree Title] in [Subject, e.g., Ecology or Environmental Science] and practical experience in [Specific Skill, e.g., Phase 1 Habitat Surveys], I am eager to contribute to your consultancy's reputation for ecological excellence.

During my studies and recent [Internship/Volunteer Work], I developed a strong technical foundation in biodiversity monitoring and environmental legislation. My field experience includes [List key species or survey types, e.g., protected species surveys for bats and great crested newts], where I demonstrated precision in data collection and adherence to health and safety protocols in remote locations.

I am particularly drawn to [Company Name] because of your recent work on [Specific Project or Sector]. I am proficient in [Software/Tool, e.g., QGIS or ArcGIS] and possess a full UK driving license, making me well-prepared for the logistical demands of field-based consultancy. I am a highly motivated individual with a commitment to professional development and achieving [CIEEM or relevant body] membership.

Thank you for your time and consideration. I have attached my CV and look forward to the possibility of discussing how my skills can support the [Company Name] team.

Yours sincerely,

[Your Name]
