Re: Application for Junior Marine Environmental Consultant - [Reference Number if applicable]

Dear [Hiring Manager Name/Hiring Committee],

I am writing to express my enthusiastic interest in the Junior Marine Environmental Consultant position at [Company Name], as advertised on [Platform]. With a [Bachelor's/Master's] degree in [Marine Biology/Environmental Science/Oceanography] and a strong foundation in [Specific Skill, e.g., GIS mapping or Marine Ecology], I am eager to contribute to your team's ongoing projects regarding [Specific Sector, e.g., offshore renewables or coastal management].

During my academic studies and [Internship/Fieldwork] experience, I developed technical proficiency in [Key Skill 1] and [Key Skill 2]. I have successfully conducted [Brief mention of a project or research, e.g., benthic surveys or water quality sampling], which required rigorous attention to detail and adherence to [Relevant Regulation/Standard, e.g., Environmental Impact Assessment protocols].

I am particularly drawn to [Company Name] because of your recent work on [Specific Project Name or Company Value]. I am confident that my ability to synthesize complex environmental data into actionable reports, combined with my passion for marine conservation and sustainable development, aligns with your consultancy's objectives.

Thank you for your time and for considering my application. I look forward to the possibility of discussing how my technical skills and dedication to marine environmental excellence can benefit your project delivery team.

Sincerely,

[Your Signature (if sending by post)]
