Dear [Mr./Ms./Mx. Last Name],

I am writing to express my enthusiastic interest in the Junior Waste Management Consultant position at [Company Name], as advertised on [Platform/Website]. With a strong educational background in [Degree Subject, e.g., Environmental Science] and a commitment to sustainable resource recovery, I am eager to contribute to your consultancy's environmental impact goals.

During my studies and [relevant experience/internship], I developed a solid foundation in waste characterization, regulatory compliance, and data-driven sustainability reporting. I have successfully utilized [Software/Tool, e.g., GIS or Excel] to analyze waste stream efficiencies and am familiar with [Local/Regional] waste management policies. My proactive approach to problem-solving allows me to identify opportunities for waste reduction and circular economy integration within diverse operational frameworks.

I am particularly drawn to [Company Name]'s recent work on [Specific Project or Initiative]. I am confident that my technical skills, combined with my ability to communicate complex environmental data to stakeholders, make me a valuable addition to your consulting team.

Thank you for your time and for considering my application. I look forward to the possibility of discussing how my skills align with the needs of your current projects.

Sincerely,

[Your Signature (if sending by mail)]
