Dear [Hiring Manager Name/Title],

I am writing to express my enthusiastic interest in the **[Job Title]** position at **[Company Name]**. Having built a successful career in **[Former Industry/Field]**, I am now transitioning into cybersecurity, combining my background in **[Transferable Skill 1, e.g., Project Management]** and **[Transferable Skill 2, e.g., Systems Analysis]** with technical proficiency in **[Specific Cyber Domain, e.g., Network Security]**.

During my tenure at **[Previous Company]**, I developed a reputation for **[Specific Professional Achievement]**. I realized that my passion for **[Aspect of previous job that relates to security, e.g., data integrity or risk mitigation]** aligned perfectly with the challenges of the cybersecurity landscape. To bridge the technical gap, I have recently completed **[Certification Name, e.g., CompTIA Security+]** and hands-on training in **[Specific Tool or Lab Environment]**.

I am particularly drawn to **[Company Name]** because of **[Specific reason why you like the company's security posture or mission]**. I am confident that my unique perspective as a career-changer allows me to approach security challenges with a diverse analytical lens, ensuring that technical solutions align with broader business objectives.

Thank you for your time and consideration. I have attached my resume and **[Link to Portfolio/GitHub/Lab Reports]** for your review. I look forward to the opportunity to discuss how my diverse background and technical foundation can contribute to the security team at **[Company Name]**.

Sincerely,
