Dear [Hiring Manager Name or "Cybersecurity Hiring Team"],

I am writing to express my enthusiastic interest in the **[Position Name, e.g., SOC Analyst Intern]** at **[Company Name]**, as advertised on **[Where you found the job post]**. As a **[Year, e.g., Junior]** student pursuing a degree in **[Major]** at **[University]**, I have developed a strong foundation in network security, threat mitigation, and ethical hacking.

During my academic career and independent study, I have gained hands-on experience with **[Technical Skill 1, e.g., Wireshark]**, **[Technical Skill 2, e.g., Splunk]**, and **[Technical Skill 3, e.g., Linux/Python]**. Recently, I completed a project involving **[Brief description of a project, CTF, or lab]**, where I successfully **[Outcome or lesson learned]**. My commitment to staying ahead of the evolving threat landscape is evidenced by my **[Mention Certification, e.g., CompTIA Security+ or active TryHackMe/HackTheBox rank]**.

I am particularly drawn to **[Company Name]** because of your **[Mention a specific company achievement, product, or firm's reputation in security]**. I am eager to apply my analytical mindset and technical skills to help protect your organization's digital assets while learning from your world-class security team.

Thank you for your time and consideration. I look forward to the possibility of discussing how my skills and passion for cybersecurity can contribute to the success of your security operations.

Sincerely,
