Dear *[Hiring Manager Name or "Hiring Team"]*,

I am writing to express my strong interest in the **Entry Level Incident Response Analyst** position at *[Company Name]*, as advertised on *[Platform/Source]*. With a solid foundation in *[Your Degree or Primary Certification]* and a focused passion for threat detection and mitigation, I am eager to contribute to your security operations center.

During my *[Degree/Bootcamp/Internship]*, I developed technical proficiency in monitoring network traffic and identifying anomalies using tools such as *[SIEM Tool Name]* and *[Protocol Analyzer Name]*. I have gained hands-on experience through *[mention a specific lab, project, or CTF competition]*, where I successfully analyzed *[type of attack, e.g., phishing headers or malware signatures]* and documented the findings according to standard incident response lifecycles.

I am particularly drawn to *[Company Name]* because of your *[mention a specific company value, recent tech blog post, or industry focus]*. I am a detail-oriented problem solver who thrives in high-pressure environments, and I am committed to continuous learning to stay ahead of the evolving threat landscape.

Thank you for your time and consideration. I look forward to the possibility of discussing how my technical skills and dedication to cybersecurity can support the resilience of *[Company Name]*'s infrastructure.

Sincerely,

*[Your Name]*
