Dear [Mr./Ms./Mx. Last Name],

As a seasoned technology executive with [Number] years of experience driving innovation at [Previous Industry/Organization Type], I am writing to express my interest in the **Chief Technology Officer** position at [Target Company]. Having successfully led large-scale digital transformations and scaled engineering departments, I am now seeking to pivot my expertise toward [Target Industry/Sector] to solve the unique challenges facing [Target Company].

Throughout my career, I have specialized in bridging the gap between complex technical architectures and high-level business objectives. My transition from [Old Industry] is fueled by a desire to apply my core competencies in [Skill 1, e.g., Cloud Infrastructure], [Skill 2, e.g., AI/ML Integration], and [Skill 3, e.g., Global Team Management] to the [Target Industry] landscape. Notable achievements include:

- **[Achievement 1]:** [Quantifiable result, e.g., Reduced operational overhead by 30% through legacy system modernization].
- **[Achievement 2]:** [Strategic impact, e.g., Led a cross-functional team of 100+ to launch a market-leading SaaS platform].
- **[Achievement 3]:** [Relevant pivot skill, e.g., Developed robust cybersecurity protocols that ensured 100% compliance during rapid expansion].

What draws me to [Target Company] specifically is your commitment to [Company Mission or Recent News]. I am confident that my "outsider" perspective, combined with my rigorous technical leadership standards, will provide the fresh strategic direction necessary to accelerate [Target Company]'s technological roadmap.

I welcome the opportunity to discuss how my background in [Previous Industry] can be a catalyst for growth and innovation at [Target Company]. Thank you for your time and consideration.

Sincerely,

[Your Signature]
