[Hiring Manager Name/Executive Search Consultant]
[Title, e.g., Chief Executive Officer]
[Company Name]
[Company Address]

Dear [Name/Search Committee],

I am writing to express my interest in the Vice President of Aerospace Engineering position at [Company Name]. With over [Number] years of experience in aerospace leadership, I have spearheaded the development of [Type of Aircraft/Systems/Satellites] and managed multi-disciplinary engineering departments through complex certification and production lifecycles.

Throughout my career, I have demonstrated a consistent ability to align engineering excellence with commercial viability. At [Previous Company], I led a team of [Number] engineers to [achieve a specific milestone, such as FAA/EASA certification, reduction in R&D lead times, or successful launch]. My expertise spans [Key Area 1, e.g., Propulsion Systems], [Key Area 2, e.g., Avionics Integration], and [Key Area 3, e.g., Lean Manufacturing], ensuring that technical innovation remains rooted in safety and operational efficiency.

I am particularly drawn to [Company Name]'s recent initiatives in [specific company project or technology]. I am confident that my background in [specific skill, e.g., scaling engineering organizations or digital transformation] will enable me to drive the technical vision and strategic growth necessary to maintain [Company Name]'s position as an industry leader.

I look forward to the opportunity to discuss how my leadership philosophy and technical background can contribute to the continued success of your engineering programs.

Sincerely,

[Your Signature]
