Dear [Hiring Manager Name], Re: Application for Junior Ethical Hacker Position I am writing to express my interest in the Junior Ethical Hacker position at [Company Name]. As an aspiring cybersecurity professional with a strong foundation in [mention key skill, e.g., network security or penetration testing], I am eager to contribute to your security team and help protect [Company Name]'s digital assets. During my [Degree/Certification/Project], I developed a deep understanding of vulnerability assessment, exploit research, and the ethical hacking methodology. I have successfully [mention a specific achievement, e.g., identified vulnerabilities in a lab environment / completed a specific certification like CEH or CompTIA Security+]. My technical toolkit includes proficiency in tools such as [mention tools, e.g., Nmap, Burp Suite, Metasploit, or Wireshark]. What draws me to [Company Name] is your reputation for [mention something specific about the company, e.g., innovative security solutions or commitment to data privacy]. I am particularly impressed by [specific project or company value]. I am a proactive learner who stays current with the evolving threat landscape and is committed to maintaining the highest ethical standards in every engagement. I am confident that my technical skills, combined with my analytical mindset and dedication to offensive security, make me a strong candidate for this role. I have attached my resume for your review and welcome the opportunity to discuss how my background aligns with the goals of your security department. Thank you for your time and consideration. Sincerely, [Your Signature] [Your Printed Name]
