SUBJECT

RE: [Project Name] - Voice Actor Application - [Role Name(s)]

INTRODUCTION

I am writing to express my enthusiastic interest in the role(s) of *[Character Name]* for your upcoming RPG project, *[Project Name]*. As a voice actor with a focus on character-driven narratives and *[specific genre: e.g., high fantasy/cyberpunk]* settings, I have followed *[Studio Name]*'s work and would welcome the opportunity to contribute to this world.

RELEVANT EXPERIENCE & STYLE

In reviewing the character brief, I feel my vocal range aligns closely with the *[specific trait: e.g., gritty/ethereal/authoritative]* requirements of the role. My previous experience includes *[mention 1-2 relevant credits or training]*, where I specialized in delivering *[mention skill: e.g., combat barks, emotional dialogue trees, or distinct accents]*. I am comfortable with the non-linear nature of RPG scripts and the technical requirements of home-studio recording.

TECHNICAL SPECIFICATIONS

I record from a *[professional home studio/booth]* equipped with a *[Microphone Model]* and *[Interface Model]*, ensuring clean, high-quality audio files with a low noise floor. I am available for live-directed sessions via *[Source-Connect/Zoom/Discord]*.

CLOSING

Attached to this application, please find my character demo reel and the specific auditions requested for *[Character Name]*. Thank you for your time and for considering my voice for *[Project Name]*.

Sincerely,
