Dear [Hiring Manager Name or "Engineering Recruitment Team"],

I am writing to express my interest in the **Software Engineer Intern** position at **[Company Name]**, as advertised on [Where you found the posting]. As a [Year, e.g., Junior] student pursuing a [Degree Name, e.g., B.S. in Computer Science] at [University Name], I have developed a strong foundation in [List 2-3 Core Languages, e.g., Python, Java, and C++] and a passion for building scalable software solutions.

During my academic projects and [mention previous internship or personal project], I successfully [describe a specific technical achievement, e.g., optimized an API that reduced latency by 20% or built a full-stack web application using React and Node.js]. These experiences have sharpened my problem-solving skills and my ability to work effectively within [mention Agile/Scrum or collaborative environments].

I am particularly drawn to [Company Name] because of your recent work in [mention a specific company product, tech stack, or mission]. I am eager to apply my knowledge of [Specific Skill, e.g., Data Structures / Cloud Computing] to contribute to the [Specific Team or Project] and learn from the talented engineering team at [Company Name].

Thank you for your time and consideration. I have attached my resume for your review and look forward to the possibility of discussing how my background and skills can contribute to the success of your engineering team.

Sincerely,
